

Parking

Dear Patient, we appreciate your business and understand the difficulties of coming and parking in downtown Ottawa. For that reason, we have gathered the following information for your convenience:

Street / Metered Parking:

- MacLaren Street and surrounding streets have a time limit of 2 hours from 8:00am – 5:30pm, Monday to Friday
- You can purchase a ticket at any of the 3 MacLaren Street parking kiosks located between Bank and Kent Streets starting at 6:30am for any amount of time you require after 8:00am. This allows you to park between 6:30am and 8:00am at no charge. If you are uncertain as to the length of your appointment with us, please ask so you can avoid a parking ticket. We strive to remain on time with our appointments.
- Parking at meters is for the specified interval – regardless of whether you return to purchase another ticket. You could receive a parking ticket even if you have time left on your ticket if you have been tagged as over the time limit.

Pay Parking Lots Nearby:

- 380 Gilmour Street- Corner of Kent and Gilmour Streets
- 350 Somerset Street - Corner of Somerset and Bank Streets
- 359 Somerset Street
